MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Unannounced Spot Checks of Agency Components

1. On 30 April 1957 members of the IG Staff again made unannounced visits to various parts of the Agency to pay courtesy calls, discuss general problems and follow up previously identified trouble spots. You may recall that similar spot inspections were conducted on 2 January 1957 and their success impelled me to include such activities as a regular part of the inspection process.

2. On this occasion the following units were visited:

O/Logistics Reproduction Plant [redacted] 25X1A6a
O/Logistics [redacted] 25X1A6a
Audit Staff;
Medical Staff;
O/Comptroller;
ORR Economic Research Area;
ORR Map Library;
O/Basic Intelligence;
OSI Nuclear Energy Division; and
O/Security.

3. Attached is a brief summary of the results of the visits.
